

AV Requirements for Steve Francis

The following specifications are given as a guideline to help you plan your event. Ideally these requirements are what Steve believes are important to get the most from one of his sessions. If you are unable to fulfil these requirements, please do not hesitate to contact us.

- Wireless lapel microphone
- Data Projector and screen suitable for audience and venue
- Steve will bring his own Macbook and would prefer to have it controlled from the stage, rather than the back of the room.
- Macbook connects to HDMI or VGA
- Speaker or connection to existing sound system to play audio from laptop
- Power board
