

The following specifications are given as a guideline to help you plan your event. They will vary depending on the size of your audience and venue. Ideally these requirements are what Steve believes are important to get the most from one of his sessions. If you are unable to fulfill these requirements please do not hesitate to contact us.

- Wireless lapel microphone (audience of more than 50)
- Data Projector and screen suitable for audience and venue
- Steve will bring his own laptop and would prefer to have the laptop situated on the stage
- Speaker or connection to existing sound system to play audio from laptop
- Powerboard
- 1 x Flip Chart OR Whiteboard
